STIPULATIONS/TERMS AND CONDITIONS

I Booth Space Assignment; Conclusion of Contract; General Payment Requirements

- Freiburg Management und Marketing International GmbH ("FMMI") and Solar Promotion International GmbH („SPI“), jointly „the Organizers“, have more than 25 years of experience in organizing Intersolar exhibitions.
- With its application the applying company ("Exhibitor") makes a binding offer to conclude a contract on booth space at Intersolar Mexico. A binding contract ("Contract") between the applying company ("Exhibitor") and FMMI shall only come into existence upon the acceptance of the application by FMMI. The Exhibitor will be notified of the acceptance of the Contract by the Organizers within two weeks after receipt of the application.
- General payment requirements for Exhibitors:
The invoice will be sent to the Exhibitor immediately upon receipt of the application. Payment is due directly upon receipt of the invoice. FMMI accepts a binding payment by Bank Transfer or by check. All checks must be issued in USD, use the daily exchange rate for your conversion. Applications from companies with delinquent balances due to any Intersolar event will not be processed without payment of the outstanding balance. If your booth fee account is delinquent, the Organizers reserve the right to release the space for re-assignment. Applications will not be considered by companies who have an outstanding balance due to the Organizers. Should the requested space be previously assigned or the floor layout change, the Organizers will endeavor to provide suitable alternate space.
- The Exhibitor's ultimate placement by the Organizers must be considered final. The Organizers reserve the right to relocate an Exhibitor at any time, for any reason, for the overall good of the exhibition. The Organizers are not obligated to reimburse the Exhibitor for any costs stemming from relocation.

II Exhibition Rules and Regulations; Representation

- The Exhibitor agrees that the Exhibition Rules and Regulations of Intersolar Mexico sent with the Exhibitor's booth confirmation are made a part of the Contract and agrees to be bound by them. The Exhibitor further agrees that the Organizers have the full power to interpret and enforce these rules and regulations in the best interest of Intersolar Mexico.
- The signer of the application for booth space or his designee shall be the official representative of the Exhibitor and shall have the authority to certify representatives and act on behalf of the Exhibitor in all negotiations.

III Qualifying to Exhibit

Exhibitors of Intersolar Mexico must fall into at least one category listed in section 2 on page 3 of the application. The Organizers reserve the right to determine the eligibility of any company, product or display.

IV Use of Space

The Exhibitor may not assign, sublet or re-sell, in whole or in part, the contracted space. The contracted Exhibitor ("Main Exhibitor") may share this space with an affiliated company ("Co-Exhibitor") providing Co-Exhibitors comply with these Terms and Conditions and the Exhibition Rules and Regulations sent with the Exhibitor's booth confirmation; however, the contracting Exhibitor shall continue to be primarily liable for all financial and performance covenants. The Main Exhibitor must have the prominent identification in its entire contracted booth space. Contracted space must appear as one unified booth. All booths must be staffed during exhibition hours.

V Other Exhibitors/Co-Exhibitors

- Several companies may share a booth area only if the Main Exhibitor has listed all such firms in his rental application for inclusion as Co-Exhibitors, and if they have been approved by the Organizers. Any firm, which has its own personnel and exhibits and uses the booth space rented by the Main Exhibitor, must be registered as a Co-Exhibitor. These Terms and Conditions shall also govern the approval of Co-Exhibitors.
- The booth space may not be used, even temporarily, by any other third party. Any group participation is only effective as group participation when the design of the booth construction will be acknowledged as one single participation. The fee, charged for inclusion of Co-Exhibitors (\$250 per Co-Exhibitor), is always invoiced to the Main Exhibitor. Co-Exhibitors are also subject to these Terms and Conditions, as applicable. The Main Exhibitor shall be responsible for informing its Co-Exhibitors of these and any supplementary provisions and ensuring acceptance of any resulting obligations towards the Organizers. The Organizers reserve the right to contact Co-Exhibitors directly or via an authorized third party. If the Exhibitor fails to register Co-Exhibitors or gives incomplete or incorrect information in its application, the Organizers shall exercise their discretion to compute and charge participation fees that would have become due if a proper application had been made. If several companies wish to rent a booth together as joint Main Exhibitors, they shall authorize a common representative in their application. In any event, each of the Exhibitors shall be required to display their exhibits and employ personnel to staff the booth. Co-Exhibitors and Main Exhibitors shall be liable as joint and several debtors for the participation fees and charges for any services used.

VI Cancellation or Change of Booth

Should the Organizers be unable to hold the exhibition for any cause beyond its reasonable control, or if the Organizers are unable to permit the Exhibitor to occupy its space due to causes beyond the Organizers reasonable control, the Organizers have the right to cancel the booth with no further liability than a refund of the booth space rental less a proportionate share of the exhibition expenses incurred by the Organizers. The Organizers shall in no event be liable for incidental or consequential damages to the Exhibitor arising from or relating to such cancellation. Should the Exhibitor's display and/or materials fail to arrive, the Exhibitor is nevertheless responsible for the rental of its booth space.

VII Liability

- The Organizers and Co-Organizers shall be liable without limitation in accordance with the statutory provisions for (i) injury to life, (ii) physical injury or (iii) damage to health, (iv) claims based on the Product Liability Act, (v) claims based on a quality guarantee, and (vi) damages caused intentionally.
- Unless The Organizers and Co-Organizers have unlimited liability pursuant to Clause 1, they shall be liable for damages caused by their legal representatives or executive employees as their vicarious agents, and
 - if and to the extent the damages result from their **gross** negligence: only for compensation of contract-typical, foreseeable damage, the occurrence of which could have been expected,
 - if and to the extent the damages result from their **slight** negligence: only if essential contractual obligations are breached and then only for compensation of the contract-typical, foreseeable damage, the occurrence of which could have been expected.
- In all other respects The Organizers' and Co-Organizers' liability is excluded.
- Essential contractual obligations are those whose fulfilment enables the proper execution of the contract at all and on whose observance the contractual partner regularly relies and may rely.
- If liability is limited to the foreseeable contract-typical damage, The Organizers' and Co-Organizers' liability per damage event for material damage and financial loss shall be limited to EUR 50,000.
- The Organizers and Co-Organizers shall not be liable for damages or injury to persons or property from any cause whatsoever by reason of occupancy of booth space by the Exhibitor, its employees or representatives. Further, the Exhibitor indemnifies, and holds harmless the Organizers and each of their officers, directors, employees, and agents from all liabilities that might result from any cause whatsoever with respect to the exhibition including, without limitation, theft or other loss from the booth. The Exhibitor agrees to pay promptly for any and all damage to the exhibition venue or its equipment, incurred through carelessness or otherwise, caused by the Exhibitor, its employees, agents, or representatives. The Organizers will provide general security at all times, but the Organizers and Co-Organizer shall in no event be liable for any loss or damages whatsoever due to any lack or failure of such security. The Exhibitor assumes full responsibility for any loss of equipment and/or display material, resulting from theft, or any other cause whatsoever.

VIII Compliance with Rules

The Exhibitor assumes all responsibility for compliance with pertinent ordinances, regulations, and codes of duly authorized local, state, and federal government bodies concerning fire, safety, and health, together with the Rules and Regulations sent with the Exhibitor's booth confirmation and also contained in the Exhibitor Services Manual. All aisles and service areas must be kept clear, with boundaries set by the Fire Department and the Organizers. If the Exhibitor commissions a third party to set up and dismantle the booth ("Exhibitor Appointed Contractor"), the Organizers must be notified in writing within thirty days (30) prior to the set up of the booth. The Exhibitor Appointed Contractor must submit to the Organizers a valid public liability and property damage insurance policy within thirty days (30) prior to the exhibition set-up.

STIPULATIONS/TERMS AND CONDITIONS

IX Withdrawal from/Cancellation of Agreement

- Registration shall be binding. Withdrawal by the Exhibitor shall only be admissible for the reasons provided for by law. If no such reason exists, FMMI shall be entitled, but not obliged, to cancel the Exhibitor's registration at the Exhibitor's request. FMMI shall be entitled to make its agreement to the cancellation conditional on it being able to lease the booth to another party. In this case, FMMI shall not be entitled to booth rental from the cancelling Exhibitor. If it is impossible to rent the booth to another party, FMMI shall be entitled to move another exhibitor to the unoccupied booth or to fill the booth in another way in the interest of the overall appearance. In this case, FMMI shall be entitled to demand the full booth rental from the Exhibitor.
- FMMI shall be entitled to demand lump sum compensation ("Cancellation Fee") from the Exhibitor. The amount of the Cancellation Fee depends on when FMMI receives the Exhibitor's (written) notification to withdraw from its binding registration or the Contract concluded:
- Amount of the Cancellation Fee in % depending on the date of receipt of the cancellation:**
 - Cancellation prior to 180 days before the opening of the Intersolar Mexico: 50% of the total booked booth rental fee
 - Cancellation within 180 days before the opening of the Intersolar Mexico: 100% of the total booked booth rental fee
- If the Exhibitor demonstrates that FMMI has suffered no loss or only a loss which is less than the Cancellation Fee, it shall only be obliged to pay a correspondingly reduced compensation. The Exhibitor shall bear any costs incurred as a result of its instructions contained in orders already placed. Any costs for decoration or filling the unoccupied booth shall be for the Exhibitor's account. FMMI shall be entitled to withdraw from the Contract if the Exhibitor infringes a material obligation with regard to the rights, legal interests and interests of FMMI under the Contract and it is accordingly no longer reasonable for FMMI to adhere to the Contract. In such a case, FMMI shall be entitled not only to withdraw from the Contract, but also to demand payment of the agreed booth rental from the Exhibitor as flat-rate compensation. The right of FMMI to claim further damages remains unaffected. The Exhibitor can demand that the flat-rate compensation be reduced if the Exhibitor proves that the loss or damage incurred by FMMI is less than this amount.
- Exhibitors that cancel completely from the exhibition (regardless of liquidated damages being paid) will not have priority for space the following year. The Organizers must receive a written request to be placed on the wait list to exhibit. The Organizers reserve the right to reassign cancelled booth space, regardless of the liquidated damage company being paid. Subsequent reassignment of cancelled space does not relieve the cancelling Exhibitor of the obligation to pay the fees. All booths must be ready for the exhibition by 6:00am on September 7, 2021. Failure to do so will be considered a cancellation, unless the Organizers have been notified and have approved otherwise.

X Miscellaneous; Governing Law; Place of Jurisdiction

- Amendments and additions to the Contract must be made in writing to be effective. This shall also apply to any waiver of this written form requirement.
- The Contract shall be governed and construed by the laws of the Federal Republic of Germany.
- The courts of Freiburg im Breisgau, Germany, shall have jurisdiction for all controversies, disputes and claims arising out of or in connection with the Contract. In addition FMMI shall be entitled to assert its claims against the Exhibitor at the Exhibitor's place of general jurisdiction. FMMI shall additionally have the choice to have any dispute arising out of or in connection with the Contract finally settled under the Arbitration Rules of the German Arbitration Institute (DIS) by one or more arbitrators appointed in accordance with the said rules. At the Exhibitor's request, FMMI shall execute the aforementioned right of choice regarding a certain dispute by declaration to the Exhibitor within one week from the receipt of the Exhibitor's request, if the Exhibitor wants to initiate legal proceedings against FMMI. The seat of arbitration shall be Freiburg im Breisgau, Germany. The language of the arbitration shall be English.
- It is the responsibility of each Exhibitor to read and comply with all rules and regulations as stated in the Exhibitor Services Manual. Each Exhibitor will be fully responsible for all costs involved, should the Exhibitor violate rules or regulations that require appropriate recourse by the Organizers.

XI Insurance

- Exhibitor, at its sole cost and expense, will insure its and its Co-Exhibitor's (if any) activities and equipment used in connection with the event and will obtain, keep in force, and maintain the following insurance; Commercial Form General Liability Insurance (contractual liability included) and errors and omissions in each case in the amount of \$1,000,000. If the above insurance is written on a claims-made form, it will continue for two (2) years following the Event. Such coverage and limits will not in any way limit the liability of Exhibitor.
- Upon the execution of this Contract, Exhibitor will furnish FMMI with certificates of insurance evidencing compliance with all requirements, and Exhibitor will promptly notify FMMI of any material modification of the insurance policies. Such certificates will provide for thirty (30) days advance written notice to FMMI of any cancellation of insurance policies; indicate that FMMI has been endorsed as an additional insured under such coverage; and include a provision that the coverage will be primary and will not participate with, nor will be excess over, any valid and collectable insurance or program of self-insurance maintained by FMMI.
- In addition to the requirements set forth above, Exhibitor agrees to comply with any additional or greater insurance coverage obligations set forth in the Exhibitor Services Manual applicable to Exhibitor, Co-Exhibitor or any of their agents, contractors, employees or representatives.

XII Advertising activities run by the Organizers

- By participating in the exhibition, the Exhibitor agrees to allow photos of its exhibition booth or exhibits on display, including any brands and other company labels found on such items, taken by or on behalf of the Organizers to be used by Intersolar Mexico for advertising and communication purposes.
- The Organizers of Intersolar Mexico – FMMI and SPI – and the Co-Organizer may, individually, use the name and company logo of the Exhibitor in any given format (brochures, Event Guide, advertisements, posters, website, etc.) for the purposes of advertising campaigns aimed at visitors and exhibitors for Intersolar Mexico. The Exhibitor shall provide an electronic file containing its logotype and logo for this purpose.
