Intersolar Mexico is organized by Solar Promotion International GmbH, Pforzheim, Freiburg Management and Marketing International GmbH (FMMI) and Tarsus Mexico.

With events spanning four continents, **Intersolar** is the world's leading exhibition series for the solar industry and its partners. It unites people and companies from around the world with the aim of increasing the share of solar power in our energy supply. Since being founded, **Intersolar** has become the most important industry platform for manufacturers, suppliers, distributors, service providers and partners in the global solar industry.

Connecting Solar Business – Intersolar Exhibitions and Conferences are held in Munich, San Diego, Bangalore, São Paulo, Mexico City and Dubai.
