

**SEPT
05-07
2023**

CENTRO CITIBANAMEX, MEXICO CITY

International Exhibition and Conference for the Solar Industry

Co-located Events

THE SOLAR EVENT FOR MEETING INDUSTRY LEADERS

REASONS TO EXHIBIT

- Mexico offers attractive business opportunities in PV, solar heating and energy storage.
- The potential of the country is still untapped and it is a strategic location for expanding to North America and LATAM.
- Key decision makers are mostly in Mexico City, the country's most competitive spot and ultimate sustainable technology hub.
- The co-located events - The GREEN Expo and Aquatech Mexico create synergies, attract qualified visitors and enhance networking opportunities.

Join us in Intersolar Mexico 2023 and turn Mexico's solar potential into successful projects!

THE PLACE WHERE EXPERIENCE, INNOVATION AND SUSTAINABILITY CONNECT

The three international giants, Intersolar Mexico, The GREEN® Expo and Aquatech Mexico, are the largest gathering of professionals in Mexico for international manufacturers and distributors looking to meet regional buyers in the fields of solar, renewable energy and cleantech. At the co-located events, more than 8,000 professionals and over 200 exhibitors from 15 countries networked at the Centro Citibanamex in Mexico City in September 2022. Join us and take advantage of multiple business opportunities at Intersolar Mexico 2023!

→ KEY SOLAR FACTS OF MEXICO

- 85% of the territory is optimal for solar projects
- 8.1 GW of installed capacity in PV utility-scale and DG
- 4.2 GWth of installed capacity in solar heating
- Second largest solar water heating market in Latin America
- Worldwide market leader for solar process heating

→ ABOUT INTERSOLAR MEXICO

Date	September 5–7, 2023
Location	Centro Citibanamex, Mexico City
Visitors	11,000+
Exhibitors	270+
Co-located Events	The GREEN Expo®, Aquatech Mexico and Mexico WindPower®

→ EVENT PROFILE

Areas of Focus	Photovoltaics, PV Production, Energy Storage, Solar Heating & Cooling
Exhibitor Profile	Manufacturers, Suppliers, Distributors, Service Providers, Project Developers/EPC Contractors, System Integrators, Research Institutes, PV Equipment & Materials Manufacturers
Visitor Profile	Installers & System Integrators, Distributors, Project Developers/EPC Contractors, Architects, Manufacturers, Suppliers, Investors & Analysts, Utilities, Government Officials/Policy Makers

BE PART OF THE WORLD'S LEADING EXHIBITION SERIES FOR THE SOLAR INDUSTRY!

With events in four continents, Intersolar has become the most important industry platform for manufacturers, suppliers, distributors, service providers and partners in the global solar industry.

It has more than 30 years of experience and the unique ability to bring together members of the solar industry from across the world's most influential markets.

Intersolar reflects the synergies and interaction between photovoltaics, PV production technologies, energy storage and solar thermal technologies on the highest level of expertise, building a bridge to the major topics and challenges which affect the energy industry.
