

INTERNATIONAL EXHIBITION AND CONFERENCE FOR THE SOLAR INDUSTRY

Intersolar Mexico 2026

connecting solar business in Mexico's new energy era

EXHIBITION AND CONFERENCE

Date:	September 2–4, 2025
Venue:	Centro Banamex, Mexico City
Focus:	PV, Energy Storage, Solar Thermal
Exhibitors (exp.):	400 at the co-located events
Visitors (exp.):	10,000 at the co-located events
Parallel events:	The GREEN Expo, Aquatech Mexico

[REGISTER HERE](#)

Mexico is at a turning point. The solar industry is poised for significant growth thanks to the new government's National Energy Plan, prioritizing clean and renewable energy. This plan promises investment, innovation, and expansion in the sector, boosting its development and competitiveness.

Be part of the leading international gathering of the solar industry in Mexico under this new national framework. Here, creating synergies and building strong alliances will help you reach your professional goals.

Intersolar Mexico, The GREEN Expo and Aquatech Mexico 2025 will showcase the latest innovations, technologies, and solutions driving the solar energy, cleantech and water revolution in the region.

INTERSOLAR MEXICO 2025

Intersolar Mexico: More than an Exhibition

International Conference

Highly qualified local and international speakers will discuss Mexico's position in the global PV, storage and solar heating market and the crucial aspects of exploiting its full potential.

[View Conference Program](#)

Exhibition Program

Receive free training at 2 expo stages on all 3 exhibition days, where exhibitors and organizations from the solar and storage sectors will present their latest advancements.

[View Exhibition Program](#)

Technical Workshops

Intensive technical workshops with industry experts. Get direct answers to current industry challenges – all free of charge every day from 4.00pm at the Intersolar Stage

[View Workshop Program](#)

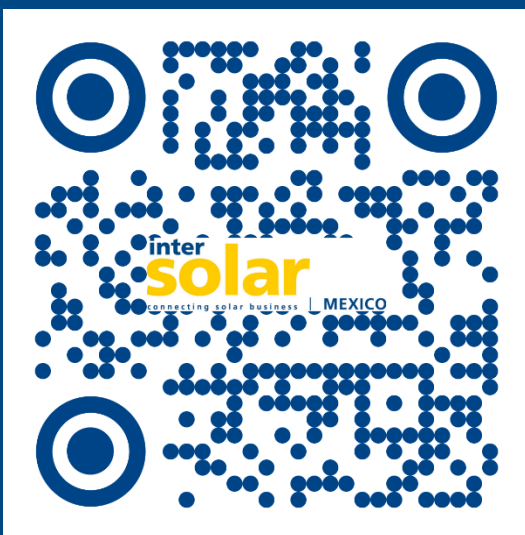

Networking

Connection solar business! Multiple networking opportunities to meet friends, old hands and new business partners. Every day with free drinks at the Intersolar Stage.

TUESDAY, SEPTEMBER 2, 2025

Mexico's New Energy Vision: Photovoltaic Industry and Financing Opportunities

12:00pm–1:30pm

How to Cope with Growth?: The Case of the PV Market in Germany

1:30pm–2:00pm

Key Factors in the Imminent Evolution of Distributed Generation in Mexico

4:00pm–5:00pm

WEDNESDAY, SEPTEMBER 3, 2025

Beyond Electricity: the Key Role of Solar Heat in the Energy Transition

11:00am–12:25pm

How to Incentivise Solar Heat in Industry: The Case of Germany

12:30pm–1:00pm

Electrical Decarbonization: Renewable Self- consumption in Industry

1:00pm–1:30pm

Revolutionizing Industrial Parks with Microgrids

1:30am–2:00pm

Large-scale Solar in Mexico: New Rules, New Opportunities

4:00pm–4:55pm

THURSDAY, SEPTEMBER 4, 2025

Success Stories: Germany's Experience

11:00am–11:25am

Storage with a National Stamp: Science Applied to Industry

11:30am–12:30pm

Regulatory Progress on Electrical Energy Storage in Mexico

12:30pm–12:55pm

Financing the Solar Future: Risk Mitigation and Investment Growth

1:00pm–1:30pm

More Women, More Energy: Mainstreaming Gender Perspectives in the Solar Industry

1:30pm–2:00pm

Efficiency and Renewables: The Key Formula for a Smart Energy Transition

4:00pm–5:00pm

Ticket Options

Prices*	
Full Pass	\$12,300
Access to The GREEN Expo, Aquatech Mexico and Intersolar Mexico programs. Lunch included.	
Full Pass – Exhibitors and Government	\$6,300
Access to The GREEN Expo, Aquatech Mexico and Intersolar Mexico programs. Lunch included.	
Intersolar Mexico Pass	\$6,350
Access only to Intersolar Mexico Conference on all 3 days. Lunch included.	
Intersolar Mexico Day Pass	\$3,750
Access only to Intersolar Mexico Conference on one day. Lunch included on selected day.	
<small>*Prices are in Mexican Pesos, incl. 16% VAT.</small>
